Battery 7.4V/1800mAH

Electronic Cigarettes

Become a VIP smoker with the Avalon™ electronic cigarettes from High Technology. These state-of-the-art cigarettes produce scentless vapor making them a healthier and less intrusive alternative to standard cigarettes. Plus, they are up to 80% less expensive than tobacco products in the long run. Flavors include tobacco, menthol, mint, watermelon, and mango.

Rear View Cameras

Our handy rear view cameras are perfect for vans, SUVs, and other large vehicles that provide limited visibility while parking. Judge distances at a glance with one of these convenient camera systems.

Car Parking Sensors

These effective sensors will detect objects in the vicinity of your car and emit a warning alarm if you approach too closely. Parking your car has never been easier than with one of these handy sensors in place.

LED Writing Boards

Display a prominent message with the LED writing boards from High Technology. These eye-catching boards feature USB connectivity that allows you to display menus, messages, and advertisements in a dynamic new way. These signs are more visually attractive for your business. Features include fluorescent lighting that display well for restaurants, spas, and more.
